Why This List?

We are trying to encourage FirstChurch members and visitors to stay downtown for lunch after worship. We believe this will conserve gasoline, support our mass transit system, and encourage downtown businesses. It's all part of helping love and care for our planet.

Mission Statement

1st Eco Team FUMC Dallas seeks to promote responsible use and management of God's resources through increased knowledge and activity.

Meeting...

We meet the second Sunday of each month on the patio immediately following the 11:00 a.m. worship service. All are welcome to attend.
